

Suggestions of real books in each Book Band

Birthday Celebrations

Please remember as a Healthy School we do not give out treats when a child has a birthday.

We do celebrate children's birthdays in school. If you would like to buy a gift for the class we would encourage you to buy a book from the Colour Banded lists below. We can then share the book with the class and build a range of non-reading scheme books for home reading.

The list of books can also be used to allow children to borrow from the library. You may also want to buy a book at the correct reading level for your child.
