How to use this record card:

Choose one table to focus on at a time.

1. Start by reading it through carefully several times until you think you can remember them. Some people sing to help them remember - you might have your own way!
2. Get a piece of paper and cover up the answers. Then try to say the table back. Check your answers.
3. Each Friday there will be a chance to complete speed grids and times tables tests, when you have achieved your targets you will get a sticker or a certificate.
4. Stickers will be given out in class, certificates will be awarded during Friday assembly.

Year Group Targets

Y1 - Counting on in steps of 2, 5 and 10.

Y2 - 2,5 and 10.

Y3 - 2,3,4,5,8,10

Y4 - ALL TABLES FACTS TO 12x12.

Y5 - ALL and completed 12x12 mixed tables square in under 8 minutes

Y6 - ALL and completed 12x12 mixed tables square in under 6 minutes

St Raphael's Times Tables Challenge
