

Key Objective	Evaluation															
<p>1. Improve the PE provision of all children by ensuring that they all had high quality PE lessons by using Sports Trust to develop teacher skills.</p>	<p>As a school we have ensured that the PE lead has undertaken extensive CPD through Manchester Teaching School Alliance. This has impacted on the provision for children including resourcing of the curriculum, smart timetabling of the subject and is beginning to be evident in teaching and learning.</p> <p>The PE lead has shared good practice and in 2015 16, the aim will be to continue this to raise standards across the school, through coaching and Inset. We aim that all teachers in KS1 and 2 will have mentoring support in planning and delivering lessons from the PE lead this year.</p>															
<p>2. Additional after School Club facilitated by TMBC</p>	<p>During the last academic year as a school we ensured there were more after school clubs that children could access. The sports covered in these clubs were:</p> <table border="1" data-bbox="468 507 1942 703"> <tbody> <tr> <td>• Football</td> <td>• Rounders</td> <td>• Hockey</td> </tr> <tr> <td>• Tag Rugby</td> <td>• Cricket</td> <td>• Netball</td> </tr> <tr> <td>• Multi- Skills</td> <td>• Basketball</td> <td>• Athletics</td> </tr> <tr> <td>• Volley Ball</td> <td>• Dodge Ball</td> <td>• Bench Ball</td> </tr> <tr> <td>• Cross Country</td> <td>• Girls Football</td> <td>• KS1 Club</td> </tr> </tbody> </table> <p>The club had an intake of 75 pupils over the year from Y3 to Y6, which equates to approximately 75% of the pupils eligible. The KS1 club was attended by 17 (out of 52). We also have used the after school clubs for children to access competitions such as tennis, athletics, cricket, netball and many others.</p> <p>This builds onto an already strong culture of PE with football, netball and cross country clubs, ran by the teachers, all having pupils attending regularly, with a great many fixtures for children to compete in the Tameside and Catholic clusters.</p> <p>In 2015 16 the next steps with this are to continue and widen the access of this to pupils, including extra competitions. To develop further the clubs available to the children by use of the Pupil Voice.</p>	• Football	• Rounders	• Hockey	• Tag Rugby	• Cricket	• Netball	• Multi- Skills	• Basketball	• Athletics	• Volley Ball	• Dodge Ball	• Bench Ball	• Cross Country	• Girls Football	• KS1 Club

• Tag Rugby	• Cricket	• Netball														
• Multi- Skills	• Basketball	• Athletics														
• Volley Ball	• Dodge Ball	• Bench Ball														
• Cross Country	• Girls Football	• KS1 Club														
<p>2. Additional in school clubs to increase participation of all pupils and enhance the sporting experience for the pupils.</p>	<p>Last year we used TA time and TMBC staff to support lunchtime with a dedicated club on a Friday. In addition a range of sports equipment was used at lunchtimes, this enabled both supervised games and games independently run by the children.</p> <p>In addition to this, the Sports Captains organised a Sports Festival, which incorporated bringing outside coaches into school that enabled all KS2 children to attend weekly cricket sessions, all KS1 children had specialist gymnastic coaches (using specialist equipment at the Ken Ward centre), all children had a yoga session, and all children had extra weekly sessions in dance (street dance and dances from other cultures). This area directly benefited all children.</p> <p>In 2015 16 we want to develop the culture further by clearly defining the role of the Sports Captains so that they can take a real lead in promoting sport, including launching a wake up shake up club. Money will be set aside for this and they will be involved in the decisions and have responsibility for the delivery.</p>
