

St Raphael's Catholic Primary School Swimming Report

We are required to publish data on the proportion of our Year 6 cohort who are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

2017 Y6 - 26 in cohort

- 24/26 children (92%) have learned to swim
- 2 children have not learned to swim of these
- Both non swimmers are PP
- One non swimmers are SEND

To support this school put in place interventions, including annual extra swimming lessons that the children accessed throughout Key Stage 2. We targeted 5 children when in Y6, and of these 3 were able to swim 25 metres on leaving school.
