DT Reception

THIS HALF TERM CHILDREN ACROSS SCHOOL, FROM NURSERY TO YEAR 6, ARE TAKING PART IN DESIGN AND TECHNOLOGY LESSONS. RECEPTION HAVE BEEN JUNK MODELLING AND HAVE MADE ALL SORTS OF AMAZING CREATIONS!

YEAR 4

Year 4 have been learning about, designing and making Christmas pavilions! It is one of the highlights of our week, we can't wait for the finished results!!

Year 6 have also created structures as part of our DT topic on playgrounds. We have considered what makes a good playground and have then designed structures to fit our brief. We measured our wood and used hacksaws to cut the wood to size. Then we glued them together using a combination of PVA glue and the glue gun.
